

Portable asset tracking and theft prevention

Product overview

FleetUp Asset Portable is a software tracking and theft prevention solution for high-value, portable assets like containers, trailers, construction equipment and packages.

Combining FleetUp Asset Portable with the appropriate FleetUp tracking device, enables you to track portable assets in real-time and get immediate alerts if they are moved to an unauthorized location.

FleetUp Asset Portable reduces the risk of portable assets being lost or stolen.

FleetUp Asset Portable prevents valuable assets from being lost or stolen
