

Asset Portable

Portable asset tracking and theft prevention

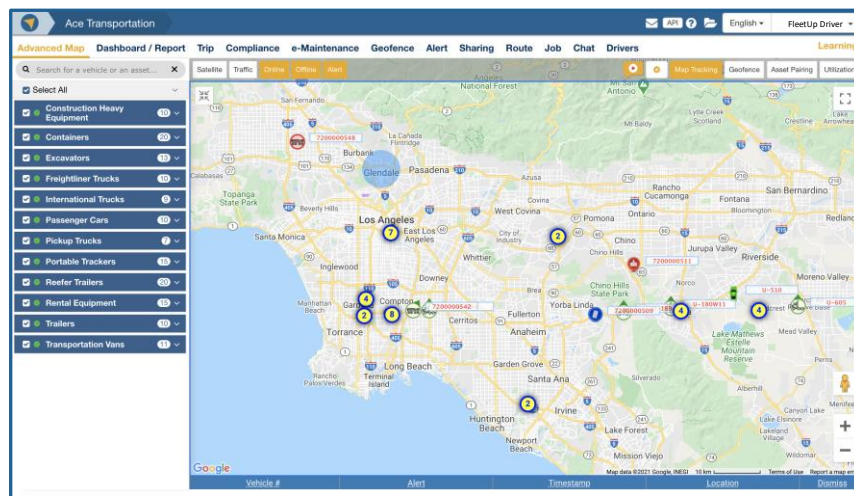

Product overview

FleetUp Asset Portable is a software tracking and theft prevention solution for high-value, portable assets like pallets, containers, construction equipment and packages.

Combining FleetUp Asset Portable with the appropriate FleetUp tracking device, enables you to

track portable assets in real-time and get immediate alerts if they are moved to an unauthorized location.

FleetUp Asset Portable reduces the risk of portable assets being lost or stolen.

FleetUp Asset Portable prevents valuable assets from being lost or stolen.
